

Project Overview

As of August 25, 2010

Hilliard-Rome Road – Westchester Woods Boulevard to Roberts Road

Description and Benefits: Project consists of widening and reconstruction of Hilliard-Rome Road from Westchester Wood Blvd. to south of Roberts Road. Project length is approximately 1.19 miles, and includes adding three lanes, sidewalks, bike lane, *Americans with Disabilities Act*-compliant curb ramps, tree lawn and utility relocation. The project will provide a safer pedestrian, vehicular and bicycle corridor. Traffic in each direction will be maintained at all times during construction.

Schedule: Anticipated completion: Utility relocation, autumn 2010; construction bidding, autumn 2010. Construction starts winter 2010.

Status: Design has been completed. Construction is scheduled to begin in winter 2010.

Costs:

| | |
|---|---------------|
| Design, right-of-way acquisition and utility relocation | \$ 5,900,000 |
| Construction | \$ 10,500,000 |
